BRONCHITIS AND LUNG AFFECTIONS. TRACHEON.

dendly CONSUMPTION. To all suffering from harassing cough and expectoration, TRACHEON offers a sound, reliable, and permanent relief. It augments expectoration, and enables the patient to expet that terribly septic deposit, which, if left without judicious treatment, must communicate its poison to the vesicular substance of the lung, degenerating and destroying that most essential of organsiand ultimates only in an early and untimely death. TRACHEON has no equal, much less a superior, and its use will not only remove the deposit, thereby a fording great relief, but heals the numbrane and leaves the patient in possession of houtthy

PILES. Hemorrhoids.

Many causes iend to produce this painful and distressing state. The blood is retarded in its return: the too frequent use of drastic purgatives tends to produce conjustion of the bowels, torpid action of the liver, and numerous other causes are the source of this complaint, and hitherts nothing effectual has been presented to the public, which would rapidly alteriate symptoms and ultimately prove an effective cure. In PILON we have a remedy which not only acts almost instantly, but will remove the largest tumors of the parts. (Piles) by absorption, and many which have received not only benefit, but have been radically cured, have been assured (prior to using this treatment) by eminent surgeons that the only relief they ever could expect in life, would be by an operation, and removing it or them from the body by a procedure which necessitisted the knife. This remedy has been hailed with delight, and is now prescribed by many practising physicians, who are contained of its merile, as the only known ener cure for PILES.

Price, Fifty Cents per package, or six for \$2.50.

THE ABOVE REMEDIES ARE thorough in the cradication of the different and various maladies denominated and are the result of patient, scarching, laborious, and scientific investigation; embracing a period of many years, is Europe and America.
